

Make Edible Chocolate Svivon (Spinning Toy)

Ingredients:

- Mini Meringues (tub of 28, from Sainsbury's UK).
- Chocolate 'flutes' (sticks).
- Glitter icing colourings.
- Dark Chocolate.

Method:

1. Melt dark chocolate, and coat the meringues.
2. Once cooled, gently make hole in the back, and place chocolate 'flutes'. It may break at first, and may take a few tries before you get it right.
3. Write letters using glitter icing colourings.
